THE BOARD OF DIRECTORS

1410

Board-School Director Relationship

The Board-School Director relationship is based on mutual respect for their complementary roles. The relationship requires clear communication of expectations regarding the duties and responsibilities of both the Board and School Director.

The Board hires, evaluates, and seeks the recommendations of the Director as the Charter School chief executive officer. The Board adopts policies necessary to provide the general direction for the Charter School and to encourage achievement of Charter School goals. The Director develops plans, programs, and procedures needed to implement the policies and directs the Charter School's day-to-day operations.

The Director shall be employed for a term not to exceed three (3) years and shall be the executive officer of the Board with such powers and duties as the Board prescribes. The Director shall act as the authorized representative of the Charter School whenever such is required.

The Board shall conduct an annual, written formal evaluation of the work of the Director.
