		X					5 Day Isolation (Starting day after symptoms begin)
			X				Continue mask wearing
			X	X			Mask and Monitor for 10 days
			X		X		Mask and Monitor for 10 days
			X			X	Mask and Monitor for 10 days
		X		X			5 Day Isolation from day after symptom onset
	X			X		5 Day Isolation from day after symptom onset	
	X				X	5 Day Isolation from day after symptom onset	

**Notes:**

- 1) You are considered fully vaccinated if you are in one of the following groups.
  - \* You are ages 5-17 years and completed the primary series of COVID-19 vaccines.
  - \* You are ages 18 or older and have received all recommended vaccine doses, including boosters and additional primary shots for some immunocompromised people.
  - \* You had confirmed COVID-19 within the last 90 days (you tested positive using a viral test - NAAT or PCR).
  
- 2) COVID Vaccination Record Cards will not be filed at the school. A valid card must be shown at the time of return to class or work if it is desired to be considered fully vaccinated when determining attendance. A copy or picture will be sufficient.
  
- 3) Isolation must continue until fever-free for 24 hours without the use of fever-reducing medication and other symptoms have improved.
